Dear Readers,
Due to Corona virus (Covid-19) pandemic, world economy is affected adversely. This virus is, unsurprisingly, having a huge impact on business and the recruitment industry is certainly not immune to that. On account of the Covid-19 outbreak, GCC countries and many other countries have issued travel advisories and have also temporarily suspended air / sea travel including issuances of visit/ tourist/ business and work visas. Consequently, there will not be many, rather any, work-force deployment till 31st March 2020. As a result, overseas recruitment advertisement will be very minimal or nil till the time Corona virus is contained and all travel / visa restrictions are revoked. We request all our valuable readers to support us during this difficult time.
Take precaution but don't panic. Namaste!
